Lauren Branch named Most Admired CEO

Twenty-five business and nonprofit leaders were honored April 30 at The Journal Record's ninth annual Oklahoma's Most Admired CEOs event at the Skirvin Hilton Hotel in downtown Oklahoma City.

This year's group included four honorees who were inducted into the program's Chain of Distinction, an honor reserved for three-time honorees. Included is NewView Oklahoma's President and CEO, Lauren Branch.

Lauren Branch has been the President and CEO of NewView Oklahoma for 21 years and has been recognized numerous times for her leadership.

"At our Most Admired CEOs event, we take a little time to celebrate great leadership," said Ted Streuli, editor and associate publisher of The Journal Record. "They are great mentors, great strategists and, often, great friends. This year's class of Oklahoma's Most Admired CEOs reminds us what can be accomplished when the right captain is at the helm."

Congratulations Lauren. We're lucky to have you!
